Dear Beatfest Organisers.

On behalf of everyone here at Marshall I would like to extend my warmest appreciation for the event that you held at the Incheba Arena in association with Beatfest 2012.

Since his return to the UK Luke has told me in detail about the event and shown me pictures from the show and explained the work that you have been doing in the Czech Republic to promote Marshall and celebrate the brand during our 50th anniversary year.

We are so proud to of your cooperation Czech Republic.

Best regards

Jonathan Ellery
